

Peter John A. Gomez

Junior Frontend Developer

peterjohnalcantaragomez@gmail.com | +639288984119 | San Fernando, Philippines

An enthusiastic, detail-oriented, and self-taught Frontend Web Developer seeking an entry-level position with a Company to use my skills in coding, troubleshooting complex problems, and assisting in the timely completion of projects.

Experience

Marketing Officer Assistant and QA Analyst | A-FLO

Equipments

August 2019 - September 2020

- Performed Exploratory testing for testing the website
- Noting identified bugs and errors that were found during testing in Excel Sheets
- Used WordPress Elementor Page Builder to edit product specifications according to the list given by the Project Manager
- Took Screenshots of each page from the staging site and note the comparison and differences between both sites using excel.

Frontend Developer Intern | Metro Clark ICT Council

February 2019 - April 2019 | Clark Freeport, Mabalacat, Pampanga

- Developed and implemented front-end code using HTML, CSS, and JavaScript to meet business requirements.
- Collaborated with the team to design new features for our web application called 'Procurement Management System'
- Participate in weekly client meetings to present design ideas and showcase finished apps.
